

# Freestyle Panorama Camp

## by AUSMsc

- AUSMsc is providing a camp for all moguls athletes. This camp is for you and for everyone. The camp will be a non-residential camp.
- The camp will be with Australian coaches. This is for the athlete's benefit ie continuity of training but also for coach development.
- Panorama is located in British Columbia Canada, 3hrs from Calgary. The service town is Invermere which is 15 minutes from Panorama resort. There is a free shuttle bus between Panorama and Invermere.
- There will be other coaches provided depending on athlete numbers from Canada and some local panorama athletes may join our groups as the current panorama program is only 3 days a week.
- We are though, partnering with Panorama Moguls Club which we want to start a strategic relationship with into the future for the collective benefit of all.
- The camp will be from the **16th of December until the 2nd of February** with training 5 days a week. Friday, Saturday, Sunday being heavy training days. Monday/Thursday off. Tuesday and Wednesday lighter days. S&C and trampolining incorporated into the lighter days.
- There are two ideal competitions on at Panorama during January. The timber tour and a Canadian cup. Other competitions will be available.
- The panorama club is assisting us with accommodation recommendations. They are also happy to discuss billeting options.
- Ben Murphy is the main contact for athlete development questions and Ben will be the main coach.
- Ben is planning social events for the whole family including ice skating, ice hockey, watching local ice hockey games, xmas lunch. Heli skiing is possible and there are hot springs close by
- The ski resorts of lake louise, banff, fernie, Kimberley are close by to explore. Most are covered by either your Epic or Panorama pass (as part of mountain collective)

# Town of Invermere Map

To Radium Hot Springs (15 min drive)

To Calgary (3 hr drive)

To Panorama (20 min drive)

Free Daily Shuttle between Invermere and Panorama.

Columbia Valley Park Playground

Eddie Mountain Inn  
Eddie Mountain Inn & Suites  
Eddie Mountain Memorial Arena (Hockey)

Kinsmen Beach

**LAKE WINDERMERE WHITEWAY**  
In 2014 the Lake Windermere Whiteway was named the world's longest skating trail by Guinness World Records. At over 30km in length, this multi-use trail offers ice-skating as well as groomed skate and classic cross-country ski trails. The Whiteway provides winter sports enthusiasts an incredible facility, adding to the already abundant list of winter activities available in the stunning Columbia Valley. It offers 2 access points: one at Kinsmen beach in Invermere and one at Windermere Beach. A \$5 day use donation helps support trail maintenance and is payable online here or in the cash box on the welcome signs. Seasons pass available here.

# Accommodation for Panorama and Invermere

## **Panorama Mountain Resort vacation rentals (ski in-ski out)**

- Packages offered include all amenities

## **Invermere Accommodation**

LAKE WINDERMERE POINTE CONDOS

# THE KOOTENAY ROCKIES IS BRITISH COLUMBIA'S POWDER HIGHWAY

Not much more delightful than skiing down a good powder run and being able to see the mountains in the distance. The Kootenay Rockies is a beautiful area with some of the best skiing in the world. The powder is soft and deep, and the views are spectacular. The Kootenay Rockies is a beautiful area with some of the best skiing in the world. ### ABOUT THE MAP

This map is a detailed guide to the Kootenay Rockies region, showing the Powder Highway (Route 95) and various ski resorts. It includes information on trails, lifts, and other amenities. The map is designed to help visitors plan their ski trip and explore the region.

### BACKCOUNTRY

Backcountry skiing is a popular activity in the Kootenay Rockies. The region offers a variety of backcountry skiing opportunities, from easy runs to challenging terrain. Visitors should be prepared with proper gear and skills for backcountry skiing.

### LEAD MINING

Lead mining is an important industry in the Kootenay Rockies. The region has a long history of lead mining, and it continues to be a significant part of the local economy. Visitors can learn more about lead mining through tours and educational programs.

### WATERFALLS

The Kootenay Rockies is home to many beautiful waterfalls. These waterfalls are a major attraction for visitors, offering scenic views and opportunities for photography. Some of the most popular waterfalls include the Selkirk and Kootenay waterfalls.

### ICE CLIMBING

Ice climbing is a challenging and exciting activity in the Kootenay Rockies. The region offers a variety of ice climbing opportunities, from easy runs to challenging terrain. Visitors should be prepared with proper gear and skills for ice climbing.

### ADAPTIVE SPORTS

Adaptive sports are available for visitors with disabilities in the Kootenay Rockies. These sports provide opportunities for people with disabilities to enjoy the outdoors and participate in recreational activities. Adaptive sports programs are available at various ski resorts and outdoor recreation areas.
